IMPORTANT NOTICE:

Cellular One provides Emergency E911 through the Wireless Dispatchable Location Services (WDLS). WDLS provides better location accuracy for people calling in an emergency 911 situation.

~NOTE: WDLS WILL ONLY WORK IN LOCATIONS THAT SUPPORT E911 PHASE 2. PORTIONS OF CELLULAR ONE'S COVERAGE AREA DO NOT SUPPORT E911 PHASE 2 AT THIS TIME, INCLUDING THE NAVAJO NATION AND THE HOPI TRIBE RESERVATION.

TTY calls to 911 from a TTY will not work when using Wi-Fi calling or Voice-over-LTE ("VoLTE"). If you cannot make a voice call to 911, Cellular One recommends that you use an internet-based Telecommunications Relay Service such as Video Relay Service, IP Relay Service, or IP Captioned Telephone Service.

3. YOUR AGREEMENT; WHAT YOUR CONTRACT CONSISTS OF; WHEN THE CONTRACT STARTS

Your Contract for service with Cellular One consists of the “Service Agreement” form that you signed or accepted, and these additional Terms and Conditions. Your agreement for FREE4LIFE Service with Cellular One begins when you sign the Service Agreement, or when you call to activate your FREE4LIFE Service, or when you open the inside package of any equipment you receive by mail, whichever applies.

4. AGREEMENT TERM AND EARLY TERMINATION

Your contract term will be for a finite number of days (Service Term), which is described in your Service Agreement. Service Term charges are paid in advance and may be charged to a credit card acceptable to Cellular One. At the end of your Service Term, you may renew or convert your agreement to a different Cellular One price plan. You may terminate this Service Agreement during the Service Term of your Agreement by giving written notice. If you terminate prior to the end of a Service Term you will not be charged an early termination fee and you will not receive a refund of the remaining months on your Service Term.

Cellular One provides all new customers a 14-day product and service guarantee starting on the day of activation (the “Return Period”). For details on the 14-Day Cancellation and Return Policy go to www.mycellularone.com/cancel-return-policy/lifeline.

8. MONTHLY DATA ALLOWANCE

We offer a FREE4LIFE Standard Plan which provides 5GB of data and a FREE4LIFE Plus Plan which provides 10GB of data (which may be “tethered” to other devices) per 30-day billing cycle on the Cellular One Network, or any network in which Cellular One currently has a roaming agreement in place (see paragraph 9 below). Data that is unused will be forfeited and your unused allotment will not roll over to the next billing cycle. Once you reach the 5GB for the FREE4LIFE Standard Plan or the 10GB for the FREE4LIFE Plus Plan of data usage, you will not have data capability to access data services on the Cellular One network or our roaming partners on your Device until the next billing cycle. If you exceed your monthly allotment of data, you may purchase a Nationwide data package by calling Customer Care at 1 (800) 730-2351 or visiting a retail store. 9. CELLULAR ONE'S COVERAGE AREA

Cellular One's Coverage Area can be found at www.mycellularone.com. These maps are for general informational purposes only. The coverage maps depict the general coverage area of Cellular One and are not a guarantee of coverage. Coverage is not available everywhere. The coverage maps display only the predicted and approximate optimal wireless coverage for voice calls, while outdoors, of the network on which your phone may be activated including the coverage area of a Cellular One roaming partner(s). **Cellular One reserves the right, with or without notice, to manage its network parameters to prioritize your cellular service active on your device to a network of choice when you are roaming, or slow the bitrate throughput rate on a roaming partner's network.** Cellular One's decision to prioritize your cellular service to a chosen roaming partner's network or slow the bitrate throughput rate on a roaming partner's network is based on, without limitation, signal strength, data speeds, geographic area, network congestion, quality of service or internal business decisions in Cellular One's sole discretion. The coverage areas shown do not guarantee service availability, and may include locations with limited or no coverage. Within coverage areas, there may be significant limitations or interruptions in coverage that may impact service and result in dropped and blocked connections, slower data speeds or no data connectivity and call interference. This could occur due to many factors including your device, network changes, network traffic volume, network outages, technical limitations, signal strength, the terrain and your proximity to buildings, foliage and other obstructions, weather and other conditions. **YOU WILL NOT BE ABLE TO OPERATE YOUR PHONE OR MAKE 911 CALLS IF SERVICE IS NOT AVAILABLE.**

10. INTERNATIONAL CALLS; SMS & MMS SERVICES; CHARGES

International calls are not included in your FREE4LIFE Plan. International calls can be made only if you have a monetary balance on your account. You may add a monetary balance to your account through the IVR by calling *123 from your phone, or by calling Customer Care at (866) 631-3886, or at our Website at www.mycellularone.com. When you make an international call when you have a monetary balance on your account you will be charged a minute per use fee that is subtracted from your monetary balance. **Prices for international calls vary from country to country and may be exceptionally expensive for some countries.** Your FREE4LIFE service does not include international SMS & MMS messages. To continue receiving SMS services you will need to visit your local retail store and renew your contract.**

11. TAXES

You agree to pay all taxes and fees imposed by governments or governmental entities. We may not provide advance notice of changes to these charges. We use the street address you provided us as your primary residence. If the tax laws require the use of a different address, then we will use the information available to us to determine the correct address. If you did not provide us a correct address for your primary residence, or provided us an address that is not a recognized street address that prevents us from identifying the applicable taxing jurisdiction, we may assign you a default location for tax purposes. Except as may be otherwise required by law, if you dispute your primary residence address or the location we assigned you and the resulting taxes or fees applied on your bill, you must request a refund of the disputed tax or fee within 45 days of the date when the disputed tax or fee first appeared on your bill. Regardless of any Rate Plan guarantee, taxes and fees may change from time to time without notice.

12. SURCHARGES

You agree to pay all surcharges associated with your Plan. Surcharges are not mandated or imposed on you by law, they are Cellular One charges that are determined, collected and retained by us. Examples include general and administrative fees (such as certain costs we incur to provide Service) as well as governmental-related assessments (such as Federal or State Universal Service fees, regulatory or public safety charges, environmental fees, and gross receipts taxes). Surcharges assessed to you will vary depending on the type of Service and the Rate Plan you have. Surcharges will apply whether or not you benefit from the programs, activities or services included in the Surcharge. When Surcharges are assessed in connection with your Service, you can find the Surcharges detailed in either the "Taxes, Fees & Surcharges", "Cellular One and Charges" or the "Other Charges" sections of your bill or at your online account. Cellular One will provide you 30-days-notice of any increase in surcharges that adversely affect you and you may terminate this Agreement without being assessed any type of termination fee.

13. DISPUTE RESOLUTION AND INDEPENDENT ARBITRATION

Most Customer concerns can be resolved through our Customer Solutions Department. However, if a concern cannot be resolved, all CUSTOMER DISPUTES WILL BE RESOLVED THROUGH THE AMERICAN ARBITRATION ASSOCIATION USING THE WIRELESS INDUSTRY ARBITRATION RULES. THIS MEANS THAT ALL DISPUTES ARISING FROM OR RELATING IN ANY WAY TO YOUR CELLULAR ONE SERVICE OR EQUIPMENT, WHETHER UNDER THIS CONTRACT OR NOT, WILL BE RESOLVED THROUGH ARBITRATION, NOT IN COURT OR THROUGH JUDGE OR JURY. MOREOVER, TO THE FULLEST EXTENT ALLOWED BY LAW BOTH OF US AGREE TO WAIVE ANY RIGHTS TO PURSUE A CLAIM ARISING FROM OR RELATING TO THIS CONTRACT OR THE SERVICE AS A CLASS ACTION; THAT IS, YOU OR WE WILL NOT JOIN A CLAIM WITH THE CLAIM OF ANY OTHER PERSON OR ENTITY OR PURSUE A CLAIM ON BEHALF OF ANY OTHER PERSON OR ENTITY. THE WAIVERS IN THIS SECTION CONTINUE IN FORCE AND EFFECT AFTER THE TERMINATION OF THIS CONTRACT. You may also attempt to resolve your dispute by writing to the Arizona Corporation Commission, Utilities Division, 1200 W. Washington, Phoenix, Arizona 85007; the New Mexico Public Regulation Commission, P.O. Cellular One may vary the credit or the number of included minutes as required by changes in federal or state universal service funding support.

27. CELLULAR ONE INTERNET DISCLOSURES AND POLICIES

27.1 Broadband Internet Access Services Description. FREE4LIFE, is a brand and product of Smith Bagley, Inc. Cellular One is a division of Smith Bagley, Inc. Cellular One provides the following broadband Internet access services to customers:

TABLE 1

Up to 6Mbps Down/2Mbps Up	Up to 10Mbps Down/2Mbps Up	Up to 5Mbps Down/2Mbps Up
LATENCY: 83MS	LATENCY: 90MS	LATENCY: 180MS

The speeds and latency figures set forth in Table 1 are not guaranteed, but are Cellular One's estimate of what a typical customer can expect to experience. Actual speeds will vary depending upon network congestion, distance from a cell site, terrain, or other blockages and conditions affecting signal reception.

27.2 Data Plans. Cellular One offers 4G/LTE Data with "Unrestricted Increments of Usage" up to 5GB for the FREE4LIFE Standard Plan or 10GB for the FREE4LIFE Plus Plan per monthly billing cycle. This means Cellular One does not intentionally reduce your bitrate transfer speed while accessing data on the Cellular One Network. You may also access data on a Cellular One's Roaming Partner's network when you are out of the Cellular One Network. Once you reach the 5GB for the FREE4LIFE Standard Plan or the 10GB for the FREE4LIFE Plus Plan of data usage you will not have data capability to access data services on the Cellular One network or our roaming partners on your Device until the next billing cycle. However, from time to time for promotional and/or emergency purposes Cellular One may add additional data to your data plan on a limited basis at no charge to you. When additional data is added at no charge to you (above the 5GB already allotted in your Standard Plan or above the 10GB already allotted in your Plus Plan) it is at Cellular One's sole discretion and may be discontinued at any time with or without notice. You may purchase additional data bundles by visiting an e-pay location, visiting a Cellular One store location, contacting Customer Care or at our website at www.mycellularone.com. Some Cellular One Devices allow you to purchase data bundles on your phone. See a store or call Customer Care for details. Cellular One reserves the right, in its sole discretion, to restrict what carrier a FREE4LIFE customer may roam on while out of the Cellular One Network, as well as restrict or reduce bitrate transfer speed on a Roaming Partner's network.

The FREE4LIFE Plans are suitable for most or all real-time applications, including web surfing, movies, gaming, voice over IP, and music. Occasionally, at times of peak usage, some applications may run more slowly than usual. Upon reasonable request we may provide specialized services to large enterprise customers at prices to be negotiated. Data used by certain speed measurement applications will not count against your data allotment. The results from some speed measuring applications may show current network speeds, rather than the reduced speed that is currently available to you. Further, FREE4LIFE from time to time offers promotional "zero-rating" for particular applications. Zero-rating means you will not be charged for data use when you access certain applications. Zero-rating promotions change from time to time so check our website at www.mycellularone.com, visit a retail store, or call Customer Service at (800) 730-2351 for the latest promotional offerings. All use of Cellular One products and services to access the Internet is subject to Cellular One's Internet Acceptable Use Policy

which can be found at www.mycellularone.com.

BECAUSE OF FACTORS OUT OF ITS CONTROL, INCLUDING BUT NOT LIMITED TO, INTERNET CONGESTION, NETWORK CAPACITY, AND RELIANCE ON THIRD-PARTY PROVIDERS, CELLULAR ONE DOES NOT GUARANTEE DATA SPEEDS.

27.3 Service Plan Prices. Our monthly prices, charges, and fees for broadband Internet access service plans, including installation charges and early termination fees for some plans, can be found here: www.mycellularone.com.

27.4 Network and Congestion Management. The Company's goal is to provide the best possible Internet service to our customers at all times and to protect our network and customers from any undue harm that might be caused by malicious users or hackers, such as denial of service attacks. We use a variety of optimization techniques, such as TCP optimization. When a cell site experiences high demand, data speeds for users on that site may be slower until such time as traffic levels returns to normal. We do not engage in blocking, paid prioritization, or affiliate prioritization. We engineer our network to provide consistent high-speed data service, but at times and at locations where the number of customers using the network exceeds available network resources, customers will experience reduced data speeds. To provide the best possible experience for the most possible customers, we implement network management practices on a content-agnostic basis, such as caching less data and prioritizing data usage. We also use a variety of physical, electronic, and procedural safeguards to protect our network from events that may negatively impact our customers' ability to use our Broadband Internet Access Services. We monitor our network to protect against security threats, including spam, viruses, automated attacks, worms, distributed denial of service attacks, and other potentially malicious activity. When we detect a threat, we will attempt to prevent it from spreading across our network using a variety of security measures, which may include rerouting or limiting some traffic over our network until the threat is resolved. In order to provide you the most widespread and reliable cellular service, any time you are out of the Cellular One Network, or your device is not receiving a strong signal from our network ("On Network"), it may connect to another carrier ("Off Network") that we have a roaming agreement with. "Roaming" is when you place or receive a voice call/SMS (text)/or accessing data outside the Cellular One Home Network Area. **Cellular One reserves the right, with or without notice, to manage its network parameters to prioritize your cellular service active on your device to a network of choice when you are roaming, or slow the bitrate throughput rate on a roaming partner's network.** Cellular One's decision to prioritize your cellular service to a chosen roaming partners' network, or slow the bitrate throughput rate on a roaming partner's network is based on, without limitation, signal strength, data speeds, geographic area, network congestion, quality of service or internal business decisions in Cellular One's sole discretion.

Unless specified otherwise 1024KB equals 1MB; 1024MB equals 1GB. Usage is calculated on a per kilobyte, megabyte or gigabyte (depending on your rate plan) basis and is rounded up to the next whole kilobyte, megabyte or gigabyte. Data activity on your phone occurs regardless of who initiates the activity, and you are responsible for all data activity from and to your phone. Premium content (games, ringtones, songs, etc.) are priced separately. You will be charged for data usage on a pay per use basis unless you purchase a data bundle as part of your Service, or as otherwise provided by your Service.
